Your Vision is Our Mission

June is PRIDE Month!!!

At Exceed, everyone is welcome, wanted, and needed.

GO TEAM Pride!!

Let's celebrate our newest Work Futures team and peers in Lincoln county!!!

J.P. landed his recent job by going through the full VR process, a formal application and interview at Safeway in Newport. J.P.'s duties include sweeping floors every hour, keeping bathrooms clean at all times, bagging and assisting customers with their groceries and grocery carts throughout the day, retrieving ride-on carts as well as the grocery carts from the parking lot and cleaning them, taking temperatures of coolers and freezers three times a day,

cleaning the check stands as needed, and stocking the front end of store and bread when needed.

Tracy Mitchell, J.P.'s job coach has been assisting J.P. in learning his duties and how to effectively work with other Safeway staff.

Fortunately for J.P., Safeway has a good natural support system within their store. J.P. has created natural supports with his supervisor, some of the cashiers, and enjoys working with the backroom group. J.P. works 16 hours a day and gets to and from work with help from his group home staff. J.P. likes the work that he is doing and feels productive while on the job!!
