## Your Vision is Our Mission

### Teamwork makes the Dream work!!!

S.C. was working with his Exceed Employment Consultant Sierra Brooks to obtain employment. Exceed Job Coach Kathy Alderson has a relationship with the Oregon City MOD Pizza, and she knew they were looking for a dishwasher. Kathy reached out to Sierra and S.C. to see if he was interested in learning more about the opportunities at MOD Pizza. Sierra was able to setup a phone interview with the Store Manager, Cassie, and a job offer was accepted by S.C. working Thurs/Fri/Sat 3:30 PM-7:00 PM. S.C. gets to and from work with assistance from his parents.

S.C. is a fantastic dishwasher with a great attitude. When S.C. first started his job, he needed supports with a few things, including clocking in. Sierra created a reference card that had his employee ID number on it. Reminders were provided when walking through the necessary steps. In time, he was able to clock in on his own.

S.C. likes to do things correctly right away or he becomes frustrated. In the beginning, his team provided encouragement to be kind to himself and to practice patience. Folding pizza boxes was also something that took some time to get comfortable with, as he has struggles with his dexterity. Sierra and Kathy both worked with him to try different ways of folding the pizza boxes. After a lot of practice, S.C. was able to become efficient in folding boxes.

He also struggles with managing his time. His Job Coach, Kathy, assisted S.C. in putting alarms on his phone as well as using a timer to tell him when to clean

the lobby. S.C. is a very efficient worker but needs continued reminders to pace himself. With the provided support and his fortitude to push forward, S.C. has become very comfortable with his job.

S.C. has a great support team at MOD. The new Store Manager Shelley loves having S.C. on her team. She feels he is one of her best workers. He has expressed how he feels very comfortable with the MOD team. Everyone seems willing to provide support when needed. S.C. says, "I love my job and the people!!!" He also said his goal is to become a MOD Captain one day.
