Your Vision is Our Mission

Let's give a cheer for being a rock star at work!!!

A.L. works at Everyday Deals in Happy Valley in Clackamas County. She did a working interview to get her current job as a stocker. Her job tasks are pricing, unwrapping and unboxing products. If there are items that are gone or low on the shelves, she will find those items in the back room to restock shelves, she pulls products forward and faces the labels so that customers can find what they are looking for. A.L. also identifies and removes damaged and misplaced items from the shelves.

Mia Monahan, Discovery Specialist, assisted A.L. with getting this job. She was with A.L. for the entirety of her shifts as she learned how to complete tasks. Mia also provided verbal and visual prompts as needed. A.L.'s support needs have since decreased to two visits a month, and she continues to be a rock star at work. A.L. has also been supported by Kathy Alderson, Lead Job Coach, during her employment.

A.L. works with a great supervisor and team of co-workers who know her well. They all give her consistent praise and feedback, and are always willing to answer A.L.'s questions and assist her as needed. A.L. uses Trimet Lift and she works 3 days a week for a total of 12 hours. Since the beginning of her employment, she has picked up an extra day of work.

A.L.'s favorite part of her job is putting items on the shelves and dumping expired items in the bins outside the store.

A.W. found out if you work hard and go above and beyond at Home Depot you get rewarded!!! Good Job!!!
