Your Vision is Our Mission

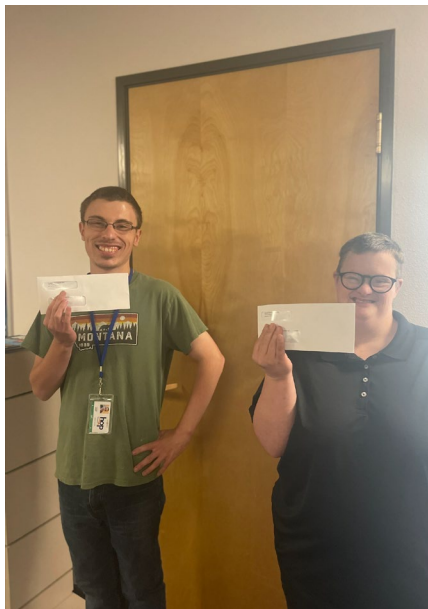

Congratulations to 6 years of successful employment!!!

P.W. had a typical interview and application process with the assistance of his job coach/employment consultant Tina McGanty. He did a fantastic job and was hired at Safeway in Beaverton for 15 hours a week. P.W. is fortunate enough to live across the street from his job so he can walk to work. P.W.'s job tasks as a grocery clerk consists of bagging groceries, collecting shopping carts, assisting customers, restocking items, general maintenance, processing BottleDrop containers, and collecting and compacting garbage and cardboard. P.W.'s favorite part of his job is bagging groceries.

P.W. has been at his current job at Safeway for 6 years now. In the beginning of P.W.'s employment, Tina McGanty was his job coach assisting him to learn his job tasks and helping P.W. grow into the successful employee Safeway and customers see today. Erick Rosales (Exceed job coach) now provides ongoing maintenance coaching for P.W. when he needs assistance. P.W. has created great natural supports with the supportive environment and work culture at Safeway. His co-workers love to assist him whenever he needs help or has any questions. On his days off P.W. likes to collect movies.
