## Your Vision is Our Mission

### WOW!!! Congratulations to a second job and goals.

P.S. was interested in working at MOD Pizza as his second job, so he and his Job Developer/Job Coach Amanda scouted out the Cedar Hills MOD in Washington County. Amanda knew the assistant manager from a different location.

When they arrived, Amanda explained to the assistant manager the nature of their visit, and they introduced P.S. to the general manager. The general manager spoke to Amanda and P.S. but unfortunately declined hiring at that time. During this conversation, Amanda mentioned how many hours P.S. wanted to work, and after the manager declined, P.S. and Amanda walked away and ordered lunch. After finishing their lunch, Amanda and P.S. approached the general manager to say goodbye and to their surprise, she had changed her mind! P.S. was hired on the spot.

P.S. is a Crew Member at MOD and also works at Pet Barn in Portland, where he is also supported through coaching with Exceed. Besides his Job Coach Amanda Cook helping him to learn his new job, he has natural support with Shauna Puckett, the General Manager and Becca, Crew Lead. Both are supportive, personable, and friendly. P.S.'s favorite part of working at MOD Pizza is greeting customers and folding pizza boxes. At Pet Barn, he loves animal visits and greeting customers.

P.S. works Thursdays at MOD (3 hours) and Wednesdays at Pet Barn (2 hours). He began his job at Pet Barn in roughly 2018, and plans to continue working there while beginning employment at MOD. His family assists with his transportation to work and he independently takes Trimet home. P.S. is hoping to have a driver's license in the near future.

P.S.'s hobbies include writing and producing plays and films, horseback riding, movies, reading fictional books, and spending time with his cats at home, along with family and friends.
