Your Vision is Our Mission

Congratulations to "Most Improved Custodian!"

K.K. went through the typical interview and application process. She worked for Sodexo in the past and understood the responsibilities she would be taking on if she got hired. Sodexo was impressed with K.K. during the interview. As a result, she was hired as a night custodian at the local elementary school in Newport in Lincoln County.

K.K. recently won an award for 2022 "Most Improved Custodian." Her responsibilities have increased all year and she has worked very hard to be able to meet the new demands. K.K. and her Job Coach, Heidi Rock, work together to make sure she keeps her work level up to Sodexo standards. K.K. just recently started working with a new supervisor, Charles, who is very helpful and willing to help K.K. complete her responsibilities.

K.K. also has a coworker who is her natural support. He is always willing to answer any questions she may have. He is also willing to demonstrate how a particular task is completed.

Currently, K.K. works five days a week for four hours a day. This is an increase since she started several years ago. K.K. walks to work every day. She then takes a taxicab home. She needs to manage her time well because she needs to be available to meet the cab. K.K. enjoys being independent and working by herself. She takes pride seeing the difference she makes in the students' classrooms when she is finished with her job tasks.

K.K. enjoys movies and is usually up on the latest ones. She is a private person but enjoys walking in nature. On her days off, she loves to sleep in and go for a walk with a bottle of Pepsi.

Congratulations Z.S.

Safeway is lucky to have you!!!

Z.S. was honored with Employee of the Month. As a part of the recognition, he received a gold badge. His mom and dad were present to show how proud they are of him and his achievement.
