## Your Vision is Our Mission

### Our annual Group Supported Employment (GSE) Barbeque at Oaks Park was a hit again this year!

Oaks Park has been the setting for our annual Group Supported Employment barbeque for the last 10 plus years. Exceed staff come together in July every year to barbeque and serve up hamburgers and hot dogs along with salads, chips, cookies, and drinks to clients and their friends or family that join them for the day of fun. Exceed also provides ride bracelets to GSE clients.

We are so happy to reward and say Thank You!! to the clients that are working so hard towards their employment goals.

### Goals of taking trips to see your favorite football team makes hard work rewarding!!!

T.M.'s job tasks as a data entry assistant consist of preparing boxes of documents to be digitized, scanning the individual documents once they're ready, reviewing the finalized digital copies to ensure accuracy, and lastly, filling out the necessary information on a boxes' corresponding digital record. Document

scanning and data entry are T.M.'s favorite parts of his job.

T.M. was assisted by his Exceed employment consultant to get his job at the Oregon Department of Human Services – Hillsboro branch in Washington County. T.M. filled out an application and went through the typical job interview process. T.M. has been at his current job for 3 years and 8 months now and works 20 hours a week. T.M.'s father supports him with his transportation getting to and from work. A prior coach/consultant assisted T.M. at the beginning of his employment at DHS and helped him grow into the successful employee we see today.

Today T.M. is supported by Exceed staff Erick Rosales, his current job coach providing ongoing maintenance coaching. T.M.'s management team at DHS, Rick Weeks and Carly Delabarre provide great natural support. His management team assist T.M. whenever he needs help or has any questions. T.M. loves taking trips to Las Vegas and seeing his favorite football team, the Las Vegas Raiders.
