Your Vision is Our Mission

Congratulations to 5 years of successful employment!!!

C.S had a typical interview and application process with HomeGoods of Beaverton in Washington county with the assistance of his Exceed job coach/employment consultant Tina McGanty. When C.S. was hired he was working less than 20 hours a week but now works about 25 hours a week. His job tasks include loading and unboxing shipments of merchandise so they can be prepared for in store display. C.S. started out only unboxing new merchandise but has since been tasked with unloading shipments as well and occasionally providing general maintenance around the store. C.S. has been at his current job for 5 years now. His job coach Tina McGanty coached him in the beginning of his employment at HomeGoods and helped him grow into the successful employee we see today. Exceed now provides ongoing maintenance coaching with his current job coach Erick Rosales. C.S. gets his natural job supports by his brother, Ben, who is also his co-worker as well as another co-worker, Kim, and supervisor, Dan. They help in talking him through stressful times and assisting him whenever he needs help or has any questions. C.S has a few options of how to get to work such as, driven to work by his brother or mother or he takes the bus. C.S. says his favorite part of his job is getting to connect with his co-workers. On his days off he likes gaming.

Good Luck on starting a new job!!! You got this 😊

K.S. recently went to a group interview at Les Schwab in Hillsboro where he was hired the same day to be a greeter and to do some light cleaning in the front room. His Exceed job coach will be working with him during his shifts along with the hiring Manager Mike. The job coach with Exceed says K.S. has not started his job yet but the natural supports of his hiring manager has been a great support to him. K.S. will be working M, T, W, TH 10am-1pm and Sat. 1pm-4pm for a total of 15hrs. K.S plans on taking public transportation to work. He is currently soaking up the remainder of his "vacation" before starting his new job!
