Your Vision is Our Mission

People always love to see a smiling face and a kind greeting when they walk into a business!!

Les Schwab in Hillsboro started a greeting program. Exceed found out about this program and took a job seeker K.S. to be interviewed. The job developer with Exceed knew that K.S. enjoyed chatting with people and decided to chat with K.S. about the program to see if he was interested in learning about the job. Because Exceed already had positive interactions with Les Schwab this enabled K.S. to interview and land the job.

K.S. works 4 days a week for 3 hours each day. He arrives by TriMet Lift to work. The job coach working with K.S. helped him to learn how to enunciate words to greet customers appropriately, worked side by side to learn how to maintain the cleanliness of the store, refill the popcorn machine, and how to utilize the umbrella when it's raining; customers are very appreciative of this extra step 😊 K.S. natural support is his supervisor who helps him maintain and improve his job. K.S. is a very sociable person and thoroughly enjoys his job. After work he likes to eat a much-deserved peanut butter and jelly sandwich.

Congratulations on "A First Paycheck" at Jazzy Bagels!!
